Tired of the same old, same old and ready to make the leap? The big questions are: what's next? Are you ready? You can take the leap or you can wait and see what comes next. An unexpected leap is when you take a major step in life, in an unexpected direction. Is your next big adventure in a new city? Trying something new? Are you ready for the unexpected? Take your next step forward today. The catch is, you have to take a leap and hope you don't fall. 'Anticipating the Unanticipated' blog by Tom French Popularity: #97 Tom French is a freelance writer, entrepreneur, and life coach based in Michigan. He writes about such topics as the psychology of success, personal and professional development, how to build a fulfilling business or lifestyle, and life lessons learned. He also writes about personal development on his blog called, Building A Better You. You can find his books on Amazon. What You'll Learn From This Book Teach you how to be proactive in your life Give you essential tools to build a fulfilling life, one step at a time Offer a fresh perspective on how to live, work, play, and succeed This book is for anyone who is considering making a change in their life. Whether it's moving, starting a business, taking a class, or trying a new activity, this book will help you make the decision to do so with less stress, more confidence, and with a clear understanding of what you are doing. You may decide to take a leap of faith, take the road less traveled, or make a change. The decision you make is up to you. What matters most is that you make it. This book will help you do so. A Sense of Urgency is one of the single most powerful drivers of change. We all know that it takes a long time to change one's life. But what if you had a sense of urgency? Wouldn't that force you to do what it takes to change? This book will give you a sense of urgency that can change your life for the better. Life is short. It is exciting, filled with adventure, change, and opportunity. If you decide to go for it, then do what it takes to make your life a success. If you want to be in control of your life, or even if you just want to change
